Welspun India launches Wel-Trak 2.0 Blockchain

November 5, 2021 / textilemagazine

One of the largest traceability & ESG transparency rollouts in the textile industry

Welspun India, global leaders of home textiles is geared to transform the textile industry with Wel-Trak 2.0, an upgrade to Wel-Trak®, the company's patented end-to-end traceability technology introduced in 2018. The upgraded platform is designed to help the stakeholders – from Retailers to farmers and manufacturers to suppliers, traders, certifying bodies, and end consumers – to track raw materials throughout the supply chain back to its origin.
